

## Storage TEMPERATURE

TOO  
HOT

TOO  
COLD

Above 13°C causes the skin to wrinkle.

Potatoes are **HAPPIEST**  
between 7-13°C.

Below 5°C the starch  
will convert to sugar,  
affecting taste and  
cooking performance.

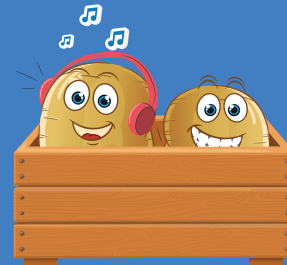

## Tips for **STORING**

## IDAHO® POTATOES

Potatoes like to **BREATHE**

Store in **WELL-VENTILATED** basket or bowl.

Store in **DARK PLACE** to prevent  
**GREENING & SPROUTING**

### NOTE:

It's still safe to eat  
these potatoes—just  
peel and discard any  
green skin, and  
sprout.

Please Handle with **CARE**

Rough handling will cause  
bruising and cracking.
