

# INCREASE YOUR SUPPLY OF IDAHO<sup>®</sup> POTATOES TODAY!

- Restaurant sales are down dramatically causing more availability of quality foodservice bulk Idaho<sup>®</sup> potatoes.
- Idaho shippers/packers are unable to keep up with increased demand for bagged retail product.

- Solution**
1. **Reallocate** some of your merchandising space from bags to bulk. This will take pressure off the lack of supply for bags, while giving you, the retailer, and your customers, quality Idaho<sup>®</sup> potatoes on display to purchase.
  2. Save time and labor by displaying **bulk** in their boxes while still creating a well-merchandised display.
  3. Work with your **suppliers today** to use bulk as a solution for your Idaho<sup>®</sup> potato needs.
